Willie Toy, age seven, an inmate of the Roman Patholic Orphan Asylum at Fifty-first-st, and Fifthave, on Wednesday said that he was going home to see his mother, who lived in Thirty-seventh-st, and Seventh-ave. A statement was published in The herald yesterday to the effect that General Hancock intended taking a trip to Mexico. The General soid to a TRIBUNE reporter that he had not the slightest intention of going to Mexico. THE CIGAR AND CIGAR-BOX MAKERS' STRIKES.
S. Josephs & Company, of No. 324 East Sixty-third-st., have made arrangements to transfer their tenement-house cigarmakers to Brooklyn. The 150 men employed by them who struck for higher wages are still out, and Josephs & Co. say they will remain out so far as they are concerned, as they will have no difficulty in filling their Brooklyn houses. The workmen in the employ of Aithaus, the cigar-box manufacturer on Sixth-st., who were on strike for several days on account of the discharge of three of their number, will resume their work, as the firm has agreed to take the men back.

CHARGED WITH VIOLATING THE EXCISE LAW.
George A. Green, who keeps a liquor store at No.
120 East Thirteenth-st., was arraigned before Justice Duffy at Jefferson Market yesterday, charged with violation of the excise law on Sunday, August 26. Green was prosecuted before the Board of Excise, but he succeeded in clearing himself. Several witnesses were sworn for the prosecution who testified that liquor had been sold on the day in question. Exactly positive evidence was adduced by the defence to show that the store had been closed promptly at 12 o'clock on Saturday night. Justice Duffy discharged Green.

LIGHT TRAVEL ON THE BRIDGE.

Although Saturday's logs were succeeded by unusual warmth yesterday there was a falling off in the number of pedestrians. Superintendent Martin Baid to a Tribune reporter: "I am anxious to accommodate the public and I am most eager to run two cars at a time, and will do it as soon as the Brooklyn extension is built. We have now only seven cars, and we have not room for any more. I cannot say that we shall be ready next Sunday, but we are pushing matters as fast as possible, and we are pushing matters as fast as possible, and within eight or nine days I think we shall be able to double up in answer to every public demand."

JOHN SWINTON DISTRIBUTING HIS PAPER.

A carriage drove up to Edward King's news-stand at Third-ave, and Forty-second-st, yesterday morning at about 7 o'clock. A head in a silk hat was seen at the window, and a large pile of something white lay upon the front seat. A fat hand beckoned the dealer to approach and a voice said: "The American News Company received papers this morning at 2 o'clock and failed to deliver them. I didn't know of it till just now, so I take the liberty of presenting to you ten copies at this late hour. Do what you can with them. It will be to your interest." King placed the papers on his stand and the carriage rolled on to the next dealer. It was John Swinton delivering "John Swinton's paper."

A STEAMER BUNS INTO A BARKENTINE.

A STEAMER BUNS INTO A BARRENTINE.

The steamship Schiedam, which arrived yesterday from Amsterdam, on Thursday last, when south of the Banks of Newfoundland, was in collision with the American barkentine Clifford, from Jamaica for Halifax. The latter's bowsprit was carried away and other damage was done. The captain of the barkentine wished to be towed to Halifax, but it was finally decided to take her in tow for New-York. After towing the Clifford for an hour and a half the two hawsers parted and she was lost sight of in the dense fog. Captain Harnecourt scarched around for five hours without finding the Clifford, and then put the Schiedam on her course for New-York.

A tall, well-dressed man entered the eating-house kept by John L. Stroubs at No. 2,369 Third-ave, early yesterday morning and ordered a cup of coffee. When the waiter returned he found the man was dead. A piece of paper was found in his pocket on which was written the name of Charles Steebing, No. 143 North Ninth-st., Brooklyn. The man's death was caused by heart-disease. His bedy was sent to the Morgue. Late last night the man was identified as Emil Fink, who was formerly a water employed at Sulzer's Harlem River Park at the foot of East One-hundred-and-twenty-sixth-st. His wife lives in Chabbam-st., but the police have thus far been unable to find her.

ONE EFFECT OF THE PROVINCIAL COUNCIL.
One of the fruits of the Provincial Council of the Roman Catholic bishops belonging to the Ecclesiastical Province of New-York, which was held in this city last month, is already witnessed in the large increase in the publication of the banns of marriage in the different curreness of that denomination here. At St. Stephen's Church, alone, in East Twenty-eighth-st., of which the Rev. Dr. Edward McGiyan is pastor, the banns of no less than eight different couples were published from the altar during the high mass of yesterday forencon, while heretofore it has been a rare thing for any to be published at all, owing to the readiness with which dispensations have been granted in the matter. Under the rules that have now been adopted the banns must be published during the principal service on three different Sundays or holidays of Obligation (except in a few special cases where dispensation is allowed), before the marriage eeremony can take place.

The services in Plymouth Church yesterday were conducted by the Rev. Mr. Hood, of the First Presbyterian Church of Newport, S. C., and Professor Crogman, of Atlanta, Ga. The latter delivered an address upon the work among the negroes of the South. Mr. Beecher will return next Sunday.

The Danish Evangelical Lutheran Church of Our Saviour was recently established at No. 193 Ninthest., South Brooklyn, through the efforts of a small community of Danish residents. The Rev. R. Anderson, the Danish Emigrant Missionary at Castle Garden, is the pastor. The church has since struggled for a permanent existence. An appeal for help is made to the community in general. Gifts of money and subscriptions may be sent to the Danish Consulate or the Rev. R. Anderson, at No. 193 Ninth-st., Brooklyn.

When Charles Hagill, of No. 14 Lafayette-ave., went into his parior after getting up yesterday morning he was surprised to find sleeping upon the sofa a strange man. He hurried to the Bergen Street Police Station and returned with a police-man, who arrested the intruder. He proved to be James Harding, age thirty-five, of No. 38 East Houston-st., N. X., who had entered the house by Scaling five fences at the rear and breaking a pane of glass in the basement door. The Rev. Dr. J. R. Fisher, who has been pastor of the Second Presbyterian Church in Third-st, for the past nine years, has signified his intention of resigning. The church is heavily burdened with debt, and the trustees have decided that retrenchment is necessary. As a step toward it they determined to reduce the pastor's salary, which is now \$2,500 a year, but when the determination was made known to Dr. Fisher he promptly gave notice that he would resign. He says that he could not accept anything less than that amount, as it is barely sufficient to support his family. The congregation holds Dr. Fisher in high esteem, and regrets that the necessity exists for severing his connection with the church. Dr. Fisher has no definite plans, but he says that he has the choice of several pulpits. His resignation will not take effect until January. until January.

NEWARK.

NEWARK.

The First Reformed Bhurch celebrated its fiftieth anniversary yesterday. It has had only four pastors, and all but one, the Rev. Dr. Scott, are now living and were present at the jubilee. They are the Kev. Dr. Ransford Wells, the first pastor, the Rev. Dr. E. P. Terhune, of Springfield, Mass., and the Rev. Dr. William H. Gleason, the present pastor.

Patrick Carrolton was shot late on Saturday night by John Kearny and last evening he was in a critical condition. Carrolton was in a crowd at Bleecker and Lock-sta, looking at a fight between two men. Kearny stood over the combatants and said he meant to have fair play and would shoot any one who interfered. No effort was made to stop the fight, though a woman begged that some one would part the men. In the jostling and swaysing of the crowd Kearney became more excited and raised his revolver and fired twice. One builet struck Carrolton in the left cheek, put out his eye and then lodged in the brain. He was taken to his home in Lock-st, and then to St. Michael's Hospital. He is a young, unmarried man, and Kearney is thirty years old and married. The latter was arrested and is held.

LONG ISLAND.

LONG ISLAND.

Jamaica.—The Law and Order Association held its annual meeting in the Methodist Episcopal church on Saturday evening. Addresses were made by the Rev. Lewis Lampman, the Rev. W. H. De Hart, the Rev. Mr. Parker and others.

ROCKAWAY.—George A. Brandreth, a large property owner on Rockaway Beach, is about to begin proceedings in the Supreme Court to compel the Long Island Railroad Company to run trains over the branch from Far Rockaway to Rockaway

Beach.

Long Island City.—The persons living in the vicinity of Fifth-st, and Vernon-ave, were startled yesterday morning by the sound of pistol shots. David Kelly, a painter, and John Gribbins, a boiler-maker, had been drinking together in the liquor store of one Lampke near by, when they quarrelled about the payment for drinks. Gribbins made an attempt to strike Kelly, who immediately drew his revolver and fired three shots at Gribbins, one of which hit him in the back of the head, causing a painful flesh wound. Both men were arrested and locked up in the station-house, Dr. Dennier attended to the injured man.

STATEN ISLAND. STAPLETON.—Charles Johnson, the referee in the prize fight on Staten Island last Monday, was arrested on Saturday. He gave bail to appear before Justice McCuilough, on Tuesday.

DETERMINED TO TRUST HIS FRIEND,

Gerhand Mariager, a Dane employed at one of the money changing offices at Castle Garden, received the other day from an Irishman newly arrived a deposit of \$200 in cash. After getting his receipt the immigrant was so pleased with Mr. Mariager that he remarked: "You're a fine-looking lad, tobe sure: haven't I seen you in Ballynahineh, County Mayo f' The Dane pleaded guiltless to the "soft impeachment," "Sure I've seen you in Ballynahineh," went on the Irishman, "will you take care of a draft for me?" The Dane altered the receipt so as to make it include the draft, which was for \$640. The Irishman igazed intently at his newly discovered friend. "Och," he at last observed, "youare a fine lad and I'm sure I've seen you in Ballynahineh, I giss you can kape the receipt too."

It is composed of the most efficacious alterative, diuretic, and tonic drugs known in pharmacy, among which are the genuine Honduras Sarsaparilla, Yellow Dock, Stillingia, and the Iodides of Potasium and Iron.

It is a highly concentrated medicine, scientifically and honestly compounded so as to secure to it the highest degree of netivity and perfect uniformity.

It has been before the public for nearly forty years, and has constantly grown in popular favor, both at home and abroad, until there is hardly a piece in the civilized world where it has not a host of friends, made so by its marvellous cures. It has received the hearty endorsement of the leading men in the medical profession, who recognize it as a standard pharmaceutical preparation, and prescribe it in their practice.

It contains no poisonous minerals or other dangerous drugs, the use of which for temporary effect in the many crude and cheap mixtures sold as alteratives, produces effects on the system often worse than the diseases they are offered to cure.

It costs no more than any other, but would still be the cheapest blood-purifying medicine in the world, even were its price three times greater, since it is the only one that does "real, lasting good."

It is the only medicine of its class that sallors, as a rule, have any faith in—and they are right.
